## Music Development Program: Informational Meeting

Saturday, May 21, 2016-2-4 pm

North Park University

*Free admission and open to all. Please RSVP.*

Dr. Robert Loewen  
Senior Vocal Examiner

Royal Conservatory  
Music Development Program

The Music Development Program inspires excellence through individual student assessments and allows students to celebrate accomplishment and track their progress with others across the country. MDP curricula are free resources, and the voice syllabus is available online.

National NATS endorses MDP's vocal curriculum, and the following music teachers associations have formally adopted MDP as their statewide assessment system for all instruments and voice: Ohio, Massachusetts, Missouri, Wyoming, and the California Association of Professional Music Teachers.
